

LAUNCH ACADEMY TUITION SCHEDULE & AGREEMENT

TUITION AND POLICIES

Registration Fee – A non-refundable registration fee of \$2,200 is due with the acceptance of application. This fee will be used for incidentals such as one on one tutoring. At the time of registration, payments will be scheduled for the remaining tuition balance. A student beginning second semester will be responsible for the full deposit amount: \$2,200.

Tuition – The two-semester academy tuition is normally \$12,000, excluding the required registration fee. Families will pay according to the payment schedule calculated below. A student starting late will still be responsible for the entire semester tuition (i.e. a student starting second semester will be required to pay \$9,800 plus the \$2,200 dollar deposit). If a delayed payment will make a late start possible, the request must be submitted in writing so the contract can be amended (i.e. a February - July payment schedule.)

Scholarships- We are working with ACE scholarships to help families with tuition. To learn more or apply, click the link below. The scholarship will contribute up to 2000.00\$ over the course of the school year. <https://online.factsmgt.com/grant-aid/inst/4NGDB/landing-page>

If you are a resident in Ft Bend County, you can apply at Hope for Three. They have a one time gift and a tuition assistance amount. Click the link for the scholarship application. <https://hipaa.jotform.com/HopeForThree/scholarship-application>

*** NEW * Payment Method** – Launch Academy's doors remain open only through the timely payments of tuition. To encourage this, Launch now offers tuition payments by credit card, along with payment options offered in prior years. Register your credit card with Launch Academy's accountant, Claudia Wanczyk: 281.414.1210 or claudia@westhoucpa.com.

Payment Plan – \$1,088 monthly

- 1st payment | August 1st
- 2nd payment | September 1st
- 3rd payment | October 1st
- 4th payment | November 1st
- 5th payment | December 1st
- 6th payment | January 1st
- 7th payment | February 1st
- 8th payment | March 1st
- 9th payment | April 1st

Tuition payment – Tuition payment is due on the 5th of each month and is considered late after the 7th. A late fee of \$5 per day will be assessed beginning on the 8th of each month.

Failure to Pay Tuition – Beginning on the 15th of each month, a student will not be given entry into Launch Academy until their tuition is paid for that month.

Tuition Refund Policy – Tuition (including any deposits, fees, etc.) is non-refundable upon signing. If a student withdraws for any reason, tuition will not be refunded and will be required through the end of the school year. Taking mental health days off occasionally may be necessary, and while tuition will still be required through the end of the school year, Launch Academy will provide opportunities to make up missed days during summer camp programming at an additional cost.

ALLOWANCE AND ADDITIONAL

Additional Fees – Sometimes during times of transition, it may help a student to have a shadow to implement a treatment plan created by a BCBA or Licensed School Psychologist. The cost for two hours of observation and creation of the treatment plan is \$500. Our LSSP will do two follow-up sessions to adjust the treatment plan as needed. The hourly cost for the behavioral technician/shadow is \$15 an hour x 40 hours per week, and the total cost per week is \$600. *Note: We bill in monthly increments. We will transition the student to a full-time classroom schedule as quickly as possible, but they may require continued one-on-one support as needed.*

Allowance Fees – Launch Academy recommends that \$2,000 be set aside to be paid back to your student as they complete their “work” duties throughout the year. Not only does the student allowance system motivate students to earn a weekly allowance for their achievements throughout the week, it also plays a part in their disciplinary system. Ultimately, it supports student development in life and independent living skills. We emulate real-world experiences so students learn to work, work to learn.

*** NEW * Spend Tracking** – Launch has transitioned to the Go Henry debit card for students to use for grocery and field trips. Launch has chosen Go Henry for its advantages of flexibility for Launch admin and families and increased transparency among all parties.

Each weekend, Launch parents will add their student’s weekly earned allowance onto their Go Henry account. Be sure to download the app to your mobile device for convenient monitoring. *Note: Allowance amount is determined by age: \$50/week for high school students; \$30/week for lower grades.*

Student allowances are calculated at the end of week based on goals met. Each student’s spending limit is set by Launch admin on the provided digital behavior sheet every Friday based on the prior week’s reached goals. Each student’s Go Henry account will be checked by the student Monday morning, to make sure the card is funded. *Note: Any student with insufficient funds will not attend grocery shopping on Monday and will require a packed lunch every day the following week.*

To set up this allowance account please visit, <https://www.gohenry.com>
